

*...growth starts here*

Prime For Life® is an evidence-based motivational prevention, intervention and pretreatment program specifically designed for people who may be making high-risk choices. This includes but is not limited to impaired driving offenders, college students and young people charged with alcohol and/or drug offenses. It is designed to change drinking and drug use behaviors by changing beliefs, attitudes, risk perceptions, motivations and the knowledge of how to reduce their risk of alcohol and drug related problems throughout their lives.
